

Adult Faith Formation Minutes from 10/18/10

Members present: Pat Whalen Becky Berndt Ann DeWolfe

Cana Dinner: Pat reported speaking to Mary Buschel who had called Jan Hance and she will look for speakers. Mary thought it would be done by end of the month.

Becky said she had Jeremy talk to Father Leo from EWTN while he was in Texas and Father would be willing to come. He also likes to talk to teens. After mentioning it to Father Hennen, thought was it would be good for 2012 so more planning could happen. Maybe sell tickets for the teen talk to help with the cost.

Becky also said she and Jeremy along with Julie and Dave Mirlovsky would take over the Cana Dinner starting 2012. They would help this year to learn what it takes to put it on. THANK YOU

Further discussion on the dinner for 2011: Pat listed the committees it takes

food: Rose Buschel would be catering this year.

Dorcorations: In the past Jan Shamlia and Sharon Kelley have done it..maybe they would again. Wayne and Jan have also handled the tickets in the past.

Other things to consider are wine, appetizers, desserts, and door prizes
