NEW BUSINESS

- **Fundraising Policy Development** Suggestions from PPC members include consideration should be given to parish-based groups that support parish programs; people may not want to be approached after church with requests for donations; fundraising through the sale of various products or tickets can be advertised in the bulletin and any sales should be done at the parish office; a list of acceptable fundraisers should be established. These suggestions will be drafted into a policy for review at the next meeting of the PPC.
- **Feedback on the format of the PPC meeting evening** The original intent for a meal shared by all committees and their members was to provide for fellowship. Cost for the shared meal will be approximately \$1000.00 per year. Agreement among participants is that beginning the event with evening prayer is good; dessert and beverages would be sufficient for fellowship; decrease fellowship time to 30 minutes. A mixer activity may be added in the future to enhance development of relationships among committees.
- **Review of PPC Bylaws** Copies of the PPC Bylaws were distributed to all members present. The discussion will be deferred to December meeting
- **Review of Archdiocese Strategic Plan** Copies of the strategic plan were distributed to all members. Members should read "The Local Church," pages 4-11 in preparation of discussion at the December meeting.

Move to adjourn by Randy Latzig, seconded by Wayne Shamla.

ADJOURNMENT: 9:45 pm

Next Meeting: December, 20 2010 8:15 pm at the Education Center

Respectfully submitted,
Rita Rasset, Secretary
