

Thank you so much for the beautiful carnations. They immediately catch my eye as I walk into my office and certainly brighten my day. I am so blessed to have such wonderful families surrounding me.

Don't forget... "I Love to Read" tomorrow morning at 7:45am; and the Student Showcase this Saturday evening at 6pm. What a great way to close a fabulous Catholic Schools Week! Sincere thanks for your support of the many events taking place this week. It's a real challenge to fit it all in, but I believe it has been a huge success! Now...rest a bit...the calendar looks a little less busy for the next two weeks - but looks are sometimes deceiving...who knows what will come up!!!

We do have a Home and School Meeting on February 9 at 7pm.
** February 9 is also a Non-Uniform Day for the Middle School, ONLY.
**February 10 is a Non-Uniform Day for Grades K-5, ONLY.
February 14 is Pink, Red and White Day for ALL students.

Then the week of the 20th, things start to happen again.
We have Mardi Gras on February 21 which is the kick-off for Spring Fever! See flyer.
Next day, February 22: Ash Wednesday and Lent begins.
Next day, February 23: Kindergarten Round Up, 6:30pm.
Monday, February 27: Preschool Open House 6-8pm. Current school families may begin Preschool registration for next year that morning.

Very Important: Our fantastic Kitchen Staff is in much need of Dining Room help on Tuesdays and Thursdays during the student lunch hour.
Please call Denise or Amy on x113 to volunteer. *Volunteers are God's gift to our school!*

~~~~~  
Well...I just heard that we have only 1 volunteer for First Grade Art Adventure. We really need 3. Tracy Colson-Brandes is very willing to work with anyone that can help out. Tracy says it's fun and easy to do. Please email or give me a call if you can help. We don't want our little first graders left out of Art Adventure, do we?

~~~~~  
Have you entered???? the "No Name" Original Kid of the Year" contest???
NOW is the time because you all have original, wonderful kids!

~~~~~  
Several of our students have negative lunch balances? Could it be your child? Please check your account in PowerSchool. And please send lunch money if your balance is \$10 or less- Unless, of course, your kids like Sunbutter sandwiches. Many thanks.

~~~~~  
And last but not least...two items have appeared on my desk that were found by students... An AT&T Blackberry and a Nintendo DS. Please come and see me if you think an item belongs to your family.

Take care and God bless!
